

REACH-Regulation

This document is to confirm that products manufactured by

Heidolph Instruments GmbH & Co KG
Walpersdorfer Str. 12
91126 Schwabach / Germany

comply with the regulation below:

**(EC) Nr. 1907/2006 Registration, Evaluation,
Authorization and Restriction of Chemicals**

Based on our examinations and as to our own best knowledge none of our products include abandoned substances from the SVHC-list (Status 12/19/2012). Heidolph Instruments is continuously in contact with all suppliers to ensure compliance. In case we learn about any exception from this rule, Heidolph Instruments will inform you immediately according to item 33 REACH-Regulation.

Schwabach, February 2013
